WISCONSIN ASSOCIATION FOR FINANCIAL PROFESSIONALS ANNUAL CONFERENCE MONDAY, SEPTEMBER 23, 2019

Concurrent Session

Organized in tracks for easy selection by conference attendees, sessions are flexible in format. They are 50 minutes in length, which includes a question and answer period. There is a limit of one or two speakers per session. A "Case Study" could also be offered as a concurrent session. A case study provides attendees an opportunity to interact with the presenters in an informal environment. The best topics for this format are controversial issues; those that are under review, or that will generate discussion. Concurrent sessions offer practical "how-to" information relating to specific business needs.

Number of Presentations

Organizations are invited to submit more than one presentation, however, to ensure representation from a wide variety of organizations, the number of sessions per organization may be limited. Lead presenter is responsible for obtaining the commitment of any co-presenter(s) PRIOR to submitting the proposal. **If submitting more than one proposal**, please complete separate "Session Proposal" forms for EACH proposal.
